

LORD CORNETS CLUB

Lanimer Tuesday/Thursday Rides

This ride has been organised by members of the Lord Cornets Club.

This ride is arranged by the Lord Cornets Club, in conjunction with the Lanimer Committee. The ride is open to the Lord Cornet, Past Lord Cornets, Present and Past Principals of Borders Towns Festivals (who are all competent riders) and is also open to other competent riders.

Riders who are hiring horses should automatically have TP liability cover afforded by the horse hirer and other individual riders have been asked to provide insurer details for TP liability cover. All riders must have pre-registered their intention to ride and have provided these required details.

The ride organisers have provided the necessary details for the Lanimer Committee Secretary to submit a 'procession order' to South Lanarkshire Council and this has been granted after it has been approved by Police Scotland.

During the ride, some of the Burgh boundary Marchstones will be inspected, this a duty beholden to the Lord Cornet.

Documents pertaining to the event are included and the event has been risk assessed.
